

# OWIS Referral Programme

At OWIS we are all about building our community. Many of you who visit our campus tell us that you were informed about OWIS from a friend or family member, so THANK YOU for sharing our school. We will always seek new ways to give back and contribute to our community. In this spirit, we are Introducing **the OWIS Referral Programme**, an opportunity for you to share the decision you've made with others important to you. This referral programme is a special way of thanking you as a OWIS parent for your trust and partnership with our school.
